

JAYANT SHRINGI

Frontend Developer

Rewari, Haryana, India | +91 7015503671 | jayants3125@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Frontend Developer skilled in HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, and Tailwind CSS, focused on building fast, accessible, mobile-responsive interfaces, including Progressive Web Apps (PWAs). Strong grounding in DOM manipulation, component-based architecture, REST API integration, cross-browser compatibility, and Core Web Vitals / Lighthouse performance optimization, with security awareness (OWASP Top 10) applied throughout the build. Proven team leadership through IEEE event operations, with strong collaboration, communication, and problem-solving skills. Seeking Frontend Developer internship or entry-level opportunities.

TECHNICAL SKILLS

Languages & Markup: HTML5, CSS3, JavaScript (ES6+)

Frameworks & Libraries: React.js, Next.js 14, Tailwind CSS, Framer Motion, Zustand, jQuery (basic)

UI / Responsive Design: CSS Grid, Flexbox, Mobile-First Design, Cross-Browser Compatibility, Responsive Web Design, UI/UX Principles

Web Standards & Performance: Progressive Web Apps (PWA), Service Workers, REST API Integration, Web Accessibility (a11y), Core Web Vitals, Lighthouse Auditing, SEO Basics

State & Auth (Client-Side): React State Management, Zustand, Client-Side JWT Handling, Form Validation

Security Awareness: OWASP Top 10, Secure Coding Practices, Foundations of Cybersecurity

Tools & Workflow: Git, GitHub, VS Code, Chrome DevTools, Agile/Team Collaboration, Debugging & Testing

Soft Skills: Leadership, Communication, Problem-Solving, Time Management, Cross-Functional Collaboration

KEY PROJECTS

Atishay — Personalized Soap E-Commerce Platform | *Next.js 14, React, Tailwind CSS, Framer Motion, Zustand* | [Repo ↗](#)

- Built the customer-facing frontend in Next.js/React: a dynamic 6-step skin-matching quiz and a live product visualizer that updates hue and texture in real time as users customize options.
- Built an admin dashboard displaying live order and revenue metrics, with Zustand for client-side state and Framer Motion micro-animations across a fully responsive, mobile-to-ultrawide layout.
- Consumed REST APIs for authentication, checkout, and order tracking, connecting UI state to backend responses in real time.

AgriFarmers — Multi-Lingual Progressive Web App | *HTML5, CSS3, JavaScript, Tailwind CSS* | [Repo ↗](#)

- Built an installable, offline-first PWA (Service Worker caching) delivering weather analytics, seed/fertilizer advice, and live Mandi market prices to farmers on low-bandwidth networks.
- Implemented English/Hindi/Punjabi localization via modular JSON dictionaries and a mobile-first, accessible interface with offline-friendly UI fallbacks.

Campus Utility Hub | *HTML5, CSS3, Vanilla JavaScript (ES6+)* | [Repo ↗](#)

- Engineered an 8-module student dashboard (attendance tracker, GPA calculator, expense splitter, live CSS theme generator) using pure DOM manipulation with zero external dependencies.
- Implemented client-side algorithmic logic, including a greedy debt-settlement algorithm for the expense splitter, real-time base conversion, and a live theme generator for color/spacing/typography.

LEADERSHIP & EXPERIENCE

Organizing Team Head — IEEE Delhi Section (NIMS UNIVERSITY)

Feb 2025 – Nov 2025 | Jaipur, India

- Planned and executed multiple technical and non-technical events end-to-end, from concept through delivery, leading a team of peers to ensure on-time delivery of event goals.
- Managed technical operations and check-in portal interfaces for a campus event (DSSYWLC-24) with 180+ participants.
- Coordinated an industry expo visit, exposing the team to emerging technologies in web development, AI, and secure computing.

Member — IEEE Delhi Section (NIMS UNIVERSITY)

Nov 2024 – Nov 2025 | Jaipur, India

CERTIFICATIONS

- Introduction to Front-End Development — Meta / Coursera (2026) | GitHub Tutorial for Beginners — Great Learning (2026)
- Foundations of Cybersecurity — Google (2025) | Generative AI Mastermind — GenAI NASSCOM

EDUCATION

Bachelor of Computer Applications (BCA), Artificial Intelligence — NIMS University

Aug 2024 – Aug 2027 (Expected) | Jaipur, Rajasthan

12th (Commerce) & 10th (High School) — Raj Int'l School / Euro Int'l School

Schooling 2024 / 2022 | Rewari, Haryana
